

Bids and Awards Committee

SUPPLEMENTAL/BID BULLETIN NO. 1
(April 20, 2021)

(The Procurement of Supply and Delivery of Various ICT Equipment)

This Supplemental Bid Bulletin No. 1 is issued to clarify, modify, or amend items in the Bid Documents. This shall form an integral part of the Bid Documents.

ISSUE/S	CLARIFICATION/ADDENDUM/MODIFICATION
Sealing and marking/number of copy/set of bid documents to be submitted	One set of original (certified true copy) of component documents should be submitted.
Statement of all ongoing contracts	List of all ongoing government and private contracts including those that have been awarded but not yet started.
Single largest contract	Complete documents should be submitted
Payment for the bidding documents	Php5,000 payment should be made whether bidder will participate for one, two, three, four or all lots.
Ocular inspection Can we request for an Ocular Visit for the Biometrics?	The bidders are encouraged to conduct an ocular inspection at the NCIP office within April 21-23, 2022. Bidders should coordinate with Mr. Rafael Belisano for any permit to enter the premises through 09190749050 or may send request through fao.gsd@ncip.gov.ph
Hard drive for servers	On Bidding Docs, Lot 2-Technical Specification, it is stated that the agency is procuring hard disk for server and Network Attached Storage (NAS) which has different interface type. Therefore: - Hard disk for server should be compatible to existing servers of NCIP and - Hard disk for NAS should be compatible with Synology and Q Nap. The bidders are encouraged to conduct an ocular inspection at the NCIP office within April 21-23, and April 27-29, 2022. Bidders should coordinate with Mr. Rafael Belisano for any permit to enter the premises through 09190749050 or may send request through fao.gsd@ncip.gov.ph
What Brand of server the NCIP is using?	Considering that it is not allowed for the procuring entity to disclose what brand of server it is using, the bidder may offer those brands that are compatible with Synology and Q-Nap.
May we know the Generation or Model?	Compatible with existing server of the NCIP. On this note, the bidders are encouraged to conduct an ocular inspection at the NCIP office within April 21-23, and April 27-29, 2022. Bidders should coordinate with Mr.

	Rafael Belisano for any permit to enter the premises through 09190749050 or may send request through fao.gsd@ncip.gov.ph
On the branded servers, is the windows 2019 pre-installed or are we going to install it?	The 2019 windows should already be installed upon delivery. Installation should be done by the bidders.
Can the bidders provide checklist of what they need?	Yes, the bidders may provide checklist of what they need and NCIP can response to the bidder's checklist.
For the License, can the bidders offer OEM or OLP?	Either OEM or OLP for as long it is not expired.
Will the awarding be per lot considering that there are 5 lots?	Yes, awarding will be per lot.
As regards the IEC connector, is it reverse power cord?	Yes
As regards C13/14, is there a required diameter?	None
Will there be a separate electrical provider?	Yes.
Can the bidder avail of physical payment or online bank transfer for the bidding documents?	The bidder is encouraged to pay physically so that proper acknowledgement receipt will be issued by the NCIP.

Reminders:

- Submission of bids will be on or before May 4, 2022, Wednesday, 9:00 AM.
- Bidders shall sign all documents that need the signature of the authorized representative.
- Late bids shall not be accepted.

For guidance and information of all concerned.
